VOLUNTEER EXPERIENCE

BINUS UNIVERSITY - STUDENT LEARNING PARTNER PROGRAM

Mentor (3rd, 4th, and 5th Semester)   *2023 – Present*

I served as a mentor in BINUS's Student Learning Partner Program, where I assisted academically struggling students by guiding and teaching them subjects they were finding challenging at university. Through this experience, I developed better time management skills and enhanced my communication and teaching abilities.

TFI - VOLUNTEER TEACHER

Volunteered Mathematics Teacher   *Mar 2023 – Apr 2023*

I volunteered as a mathematics teacher for junior high school students seeking additional lessons to better understand the topics they were learning in class. Through this experience, I enhanced my ability to engage with younger individuals, improved my communication and teaching skills, and learned how to present subjects in a more accessible way for others to grasp easily.
